Things to consider when
deciding on the winner of the
round:

Which team persuaded you more?

What argument or arguments did you
feel were most effective?

Which team or debater seemed most
well-prepared?

Which team or teams made their
contentions clear and supported them
with a variety of evidence
throughout the round?

Who understood the topic well
enough that they were able to ask
and answer questions in cross x?

Which team used facts, statistics, or
quotes effectively to back up their
contentions?

Which team used their time most
wisely?
